Dear Mr. Lyall:

This memo is in response to your request for USCENCOM to conduct a review of International Security Assistance Force (ISAF) and USCENCOM Significant Acts (SIGACTs) event data from Afghanistan for the time period of 1 July 2014 to 1 January 2015 and provide a release recommendation back to your library.

After conducting a thorough review of the document provided, I am partially releasing the information and have provided our releasable version in the attachment (TAB A). The withheld information (release of LAT/LONG and precise geo-locations of bases, camps, installations, routes, and operating areas) has been exempted from release pursuant to applying Executive Order 13526, Classified National Security Information, Section 1.4(a) Military plans, weapons systems, or operations.

If you have questions regarding your request, please contact the USCENCOM Declassification Management Section at declassmgmt@centcom.smil.mil or (813) 529-6673 and refer to MDR #15-03.

Sincerely,

MICHAEL X. GARRETT
